

Rotary Sollentuna – Tureberg

- *Our Rotary Club is a group of ladies and gentlemen that meet under pleasant circumstances and use our competence and our contacts to contribute to a better society.*
- *Our community and international service projects include projects in Thailand and Russia and youth exchange with several other countries.*
- *We are entrepreneurs, executives and civil servants who use our vital network to do good for society, for each other and for our business.*
- *We develop our knowledge of different business areas and of society in the varied and appreciated lunch talks.*

We welcome interested women and men as new members in our Rotary Club.
